HANDBOOK

WELCOME!

Dear Parents,

I want to thank you for considering At Mr. Robert's for your childcare needs. I offer a loving, safe, and educational environment for your child to grow, learn and play.

I can understand how difficult it can be for working parents to balance all their commitments and responsibilities in their lives. For this reason, I strive to offer a program that will enrich your child's development while putting your mind at ease.

I will do my best to assist your child in developing important values such as: good manners, caring, sharing, patience, responsibility, as well as communication and teamwork. I believe that children learn best through play, and we will implement these important values throughout our day. I also offer preschool activities such as learning the alphabets, shapes, colors, numbers, we also work on name recognition.

It is my goal to offer your family the quality childcare experience you deserve. Please feel free to openly discuss any problems or concerns you may have at any time. An open and honest relationship is the key to a happy childcare experience for everyone involved.

Please help me operate my business in a professional manner by carefully reading through the parent handbook and filling out all the necessary forms. It is very important that you are aware of all my policies, as I want you to make your decision about childcare based on the terms for which I will provide care.

Again, thank you for considering At Mr. Robert's. I look forward to providing your child with the best possible care.

Sincerely,

Robert Mosley

DISCIPLINE POLICY AND BEHAVIORAL ISSUES

At Mr. Robert's, we expect participants to show respect for others and their personal space, engage harmoniously in activities, cooperate with staff, and maintain a positive attitude. Learning self-control is a natural part of growing up, so we never embarrass or belittle a child for misbehaving. Instead, we focus on positive strategies that boost children's self-esteem. We may use a "time-out" as a tool for children to reflect on their actions before rejoining group activities. This is a constructive form of discipline that helps children understand appropriate behavior while giving them the opportunity to choose to improve.

Unacceptable behaviors include profanity, disrespect toward others, failure to follow staff instructions, excessive roughhousing, and inappropriate or violent physical contact.

Given that we provide childcare in a group environment, we must prioritize the safety and well-being of all children and staff. Mr. Robert's will notify the parents/guardians of all children involved in any incidents of unacceptable behavior. We reserve the right to suspend or expel any child for inappropriate conduct.

Thank You,

At Mr. Robert's

SICKNESS POLICY

If your child gets sick, it is often most appropriate to keep him/her home from school. A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. Please make arrangements for childcare ahead of time so you will not be caught without a place for your child to stay if he/she is ill.

At Mr. Robert's guidelines state that you should not send your child to school if he/she has any of the symptoms below.

If your child has any symptoms from 1-5 your child **MUST** take a Covid Test in order to return to our facility.

1. Fever in the past 24 hours 99 degrees or higher
2. Vomiting in the past 24 hours
3. Diarrhea in the past 24 hours
4. Strep Throat (must have been taking an antibiotic for at least 24 hours before returning to our facility).
5. Bad cold, with a very runny nose or bad cough, especially if it has kept the child awake at night.
6. Head lice – live bugs or nits (lice eggs)
7. Rash
8. Pinkeye- (must be on antibiotic eye drops for 24 hours, which includes 4 doses, before returning to our center)

If your child becomes ill at our center, or is contagious to other children, you will be called to come and take him/her home from our facility. It is essential that your child's teacher have a phone number where you can be contacted during the day and an emergency number in the event you cannot be reached.

If your child has been sent home by one of our staff members for any of the above reasons, he/she will not be permitted to return to school until after the appropriate period of time has passed and will not be allowed to return without a doctor's note.
